

CHAMELEON

THE LOBBY LOUNGE COCKTAILS

THE BEE HIVE

19

New Zealand's iconic parliamentary building located in Wellington, is famous for its shape and has been named The Beehive accordingly. This cocktail combines brandy, Havana Club 3 years, cream and lemonade.

ORIENTAL BAY BREEZE

21

Oriental Bay, like most of Wellington, enjoys a steady flow of sea breeze. This cocktail is a combination of Lighthouse gin, Midori, lemon and lemonade.

CABLE CAR

23

One of Wellington's most famous attractions, the cable car provides fabulous views of the city. This cocktail was created to compete with the best. It's a mixture of Black Robin Gin, Chartreuse, St Germain Elderflower liquor, lime and grapefruit.

CAKE TIN

19

Westpac Stadium or as it is commonly known, The Cake Tin, is now Wellington's premier sporting venue hosting international and domestic events. This cake-like cocktail is certainly best savored after dinner. Kahlua, Baileys, Frangelico, Butterscotch and cream.

TE PAPA TONGAREWA

24

The literal meaning for Wellington's famous museum Te Papa Tongarewa is the 'repository for special things'. This cocktail certainly embodies that meaning, by combining Veuve Clicquot Champagne, vodka, lemon and strawberry coulis .

BOTANIC GARDENS

20

One of many nice walks in Wellington, the stroll through the Botanic Gardens is undoubtedly a special one, and so is this cocktail, which mixes Pyrat XO rum, Blue Curacao and lemon.

PLIMMER SPECIAL

John Plimmer, one of Wellington's early settlers has been called the 'Father of Wellington'. A statue on Lambton Quay remembers him and also a Wellington seaside suburb, Plimmerton. This cocktail combines 42 Below vodka, St Germain Elderflower liqueur, lime, orange and passion fruit coulis.

OUR WINE SELECTION BY GLASS CHANGES REGULARLY TO HARMONISE WITH OUR FOOD MENU, PROVIDING A UNIQUE DINING EXPERIENCE. LISTED BY GRAPE VARIETIES, WE ARE PLEASED TO PROVIDE AN ARRAY OF TASTES FROM AROUND THE WORLD AND WITH A SPECIAL FOCUS ON NEW ZEALAND WINES. AS INCREASINGLY POPULAR AS THEY ARE CONTROVERSIAL, ORGANIC, BIODYNAMIC AND NATURAL WINES ARE ALSO IDENTIFIED IN OUR SELECTION. PLEASE SEE BELOW FOR A DESCRIPTION OF THESE METHODS:

ORGANIC WINES

Are produced from grapes grown without the use of chemical fertilizers, pesticides, fungicides and herbicides.

BIODYNAMIC WINES

Are made with a more holistic and sustainable approach. Grapes are grown using the same core principle as organics, with the addition of special preparations added to the soil. This aims to improve soil structure, nutrient and mineral levels, as well as plant growth and development.

NATURAL WINES

Are generally made using 'minimal intervention', natural yeasts are used, with minimal or no sulphur added, wine is usually left on skins and there is no filtration, fining or adjusting. Natural wines look and taste a little different to 'conventional wines.

CORAVIN SYSTEM

CELLAR WINES BY GLASS

The Coravin system is a ground-breaking wine access technology which leaves the cork in place, safeguarding the wine from oxidation and thus allowing wine enthusiasts to enjoy exceptional wines by the glass without committing to the bottle.
